At the time of redemption, you may upgrade your wash to a higher level exterior wash or the equivalent or higher level full service wash. Add-on services are available for purchase as well.

Memberships are tied to one specific vehicle. If you own multiple vehicles you must purchase a separate membership for each vehicle. If you no longer own that vehicle, see a Living H2O representative to have your pass transferred to your new vehicle. Customers who violate this policy may have their pass or passes immediately terminated without a refund.

Membership promotions that provide the first month at a discount are only eligible on vehicles that have not had an active pass at any time in the previously 12 months. Those vehicles are eligible for a monthly pass but must pay full price.

By purchasing a Monthly Unlimited Pass, you authorize Living H2O Car Wash or its authorized agent to charge your debit or credit card account every month.

Draft authority will remain in effect until Living H2O Car Wash receives a written or verbal request to discontinue the pass and it is received at least 7 days prior to the next scheduled draft. Failure to notify Living H2O in that timeframe may result in one additional draft that will not be refunded, however, you will be able to wash through the remainder of that billing cycle. Call 972-960-0333 or stop by to cancel.

If your card is declined for any reason, you will need provide a replacement card for payment or the pass will automatically terminate.

Unlimited Monthly Passes are already deeply discounted and may not be combined with other offers.
